SUMMARY

As an iOS developer with 2 - 3 years of hands-on experience, I specialize in building innovative mobile applications using Swift and SwiftUI. I am passionate about crafting high-quality mobile apps and always eager to learn and adopt new technologies to stay ahead in this ever-evolving field.

WORK EXPERIENCE

iOS Developer

Tashkent, Uzbekistan

Nov 2025 - Apr 2026

Production iOS application named "Quronim" for Qur'an and Zikr group workflows.

- Built and maintained core modules with SwiftUI
- Integrated API-based authentication and real-time group flows
- Implemented notification-driven experience for invitations and updates
- App Link: apps.apple.com/uz/app/hatm/id6761808860

iOS Developer

Tashkent, Uzbekistan

Team-based iOS project named "MiftahulQur'an" focused on structured Qur'an reading experience.

- Collaborated on feature development and refactoring
- Worked on UI consistency and maintainable code structure
- Supported stable delivery and iterative improvement
- App Link: <https://apps.apple.com/uz/app/muallimi-soniy/id6498893412>
